Thank you for choosing our Nursery

Please be advised that our system will produce actual use itemised invoices and these will fluctuate depending on the number of sessions in each month. Your outstanding balances will also vary accordingly and can be viewed in www.parentadmin.com

We encourage Parents to check their monthly invoice provided by the nursery for accuracy. It is the responsibility of each parent to ensure that the amount charged aligns with your funded entitlement and any costs incurred for providing care and services. Any discrepancies or concerns regarding the invoice must be reported to the Nursery Manager within 5 working days of issue. Failure to report any discrepancies may affect the ability to dispute the charges at a later date.

The above invoice amount should be paid by 5th of each month unless authorised by a member of the Management Team. Please note that failure to pay by this date will result in discounts being revoked and/or a £25 late payment charge.
